

**Alexander V. Soloviev, Ph.D., MBA**

Professor

Nova Southeastern University's Halmos College of Natural Sciences and Oceanography  
Department of Marine and Environmental Sciences  
8000 North Ocean Dr., Dania Beach, Florida 33004  
Phone: (954) 262-3659, E-mail: [soloviev@nova.edu](mailto:soloviev@nova.edu)  
Naturalized U.S. citizen

**(a) Professional Preparation**

Moscow Institute of Physics and Technology (MIPT), Moscow, USSR, Aerodynamics and Thermodynamics, Dipl. Engineer, 1976

Joint Program of MIPT and P.P. Shirshov Institute of Oceanology USSR Academy of Sciences, Moscow, USSR, Oceanography, Ph.D., 1979

P.P. Shirshov Institute of Oceanology USSR Academy of Sciences (doctorant/post-doctoral equivalent), Moscow, USSR, Oceanography, 1988-1991

Russian Academy of Sciences, Moscow, Russia, Physics and Mathematics, Dr. Sci. (Habilitation), 1992

University of Florida, Gainesville, FL, MBA, 2010

**(b) Appointments**

Assoc. Professor to Professor, Nova Southeastern University's Oceanographic Center, 1996-Present

Visiting Professor at Meteorology Institute, Univ. of Hamburg, 1994-1995

Visiting Scientist on TOGA COARE Project, Univ. of Hawaii, 1993-1996

Senior to Leading Scientist, P.P. Shirshov Institute of Oceanology, 1991-1998 (on leave since 1993)

Junior to Senior Scientist, A.M. Oboukhov Institute of Atmospheric Physics, 1979-1988

**(c) Publications**

**(d) Synergistic Activities**

Pioneering studies of the near surface layer of the ocean (summarized in the monograph *The Near-Surface Layer of The Ocean: Structure, Dynamics and Applications* by A. Soloviev and R. Lukas, published by Springer).

Lecturing at the Summer Program in Geophysical Fluid Dynamic at the Woods Hole Oceanographic Institution, Woods Hole, MA in 2002, 2007, 2008, and 2010.

Editor *Nature Scientific Report*.

Professor of the Year (2014-2015).
